# Dear **Biathlon Family**

*With delight, I welcome you to the Hochfilzen World Cup Biathlon from the 9th to the 12th of December. The Austrian biathlon stronghold in the Tyrolean Unterland has been a fixture in the world cup calendar for many years and has gained international significance ever since the unforgettable World Championships of 2005 and 2017.*

*I am particularly happy that the well planned infrastructure expansions for the last World Championships have established Hochfilzen as a modern, year-round training center for juniors as well as professional biathletes from all over the world.*

*This encouraging development is tightly connected to the trustful cooperation between the Republic of Austria, the State of Tyrol, the municipality of Hochfilzen and the Austrian Armed Forces – for which I want to thank everyone involved.*

*Despite the challenges that the Corona-Virus has presented to any host of a major event, I am convinced that the Austrian Ski Federation in close coordination with the International Biathlon Union and thanks to the tireless efforts of its Hochfilzen Organizing Committee will succeed in organizing a terrific world cup event once again.*

*I wish all athletes as well as coaches and officials exciting and successful competitions and a pleasant stay in Hochfilzen.*

Karl Schmidhofer  
President of the Austrian Ski Federation

# A Warm **Welcome!**

*Seeing this unabated enthusiasm for the sport of biathlon on an international level for many years is truly great. We are happy all the more so, as Hochfilzen has become a fixture among the hosts of biathlon world cup competitions amid the Austrian Ski Federation's ranks.*

*The small municipality in the Tyrolean Unterland has established its reputation not only as a reliable world cup host but also as a place of hospitality. Having been awarded world cup events until at least 2026 is a testament to the International Biathlon Union's trust in our long-standing event.*

*Accordingly, it is a great pleasure to welcome the international biathlon family back to Hochfilzen. The Austrian Ski Federation and its Hochfilzen Organizing Committee have done everything to offer the world's best athletes one of the most modern biathlon stadiums in the world for exciting and fair competitions.*

*Also thanks to the excellent television pictures of the ORF as our host broadcaster, I am convinced that the world cup competitions of Hochfilzen will be a superb display not just for the Austrian Ski Federation and the Hochfilzen region but also for the entire sport of biathlon.*

*With that in mind, I wish you a successful event without accidents.*

Christian Scherer

Secretary General of the Austrian Ski Federation
